

# Multi Engine Rating

The Multi-Engine Instrument Rating allows you to fly aircraft with more than one engine.

To hold this rating, a person must have reached 17 years of age, obtain a Category 3 medical certificate and hold at least a Private Pilot Licence.

## Ground School & Flight Training Summary

Aircraft	Beechcraft Baron, ALSIM Flight Training Device	
Ground School	20 Hours –Multi Operations	\$300.00
	BE55 Specific, Aspen G750 Books and Study Material	\$150.00
8.4 hours dual instruction on BE55 @ \$607.00 / hour		\$5098.80
3hours on ALSIM MCC200		\$540.00

**Approximate Course Total \$6088.80**

For more information on Transport Canada’s minimum requirements to obtain a Multi Engine Rating, [see the Canadian Aviation Regulations](#).

### Additional Costs

Individual Ground Instruction (as required)	\$135.00 / hour
Flight Test (examiner and aircraft), Transport Canada Licensing Fees approximate	\$900.00

**We believe in high quality training and transparency. We quote a realistic estimate for the cost of training, rather than just the minimum hours stated by Transport Canada.**

**Actual cost will vary depending on student ability and study skills.**

Fuel Surcharge included in aircraft cost. Prices are subject to change without notice. GST not included in costs.
