

# Multi IFR Rating

The Multi Engine Instrument Rating allows a pilot to operate a multi engine aircraft under Instrument Flight Rules.

This Training Cost is based on the following assumptions:

- Student has completed the Private Pilot License
- Student has completed the Multi-Engine Rating
- Student has a minimum of 50 hours of PIC cross-country time

To hold this rating a person must have reached 17 years of age, obtain a Category 3 medical certificate.

## Ground School & Flight Training Summary

Aircraft	Beechcraft Baron, ALSIM Flight Training Device	
Ground School	90 HOURS	\$500.00
	Books and Study Material	\$300.00
15 hours dual instruction on BE55 @ \$607.00 / hour		\$9105.00
15 hours on ALSIM ALX Flight Training Device		\$3000.00

**Approximate Course Total \$12905.00**

For more information on Transport Canada's minimum requirements to obtain a Multi IFR Rating, [see the Canadian Aviation Regulations](#).

## Additional Costs

Individual Ground Instruction (as required)	\$135.00 / hour
Flight Test, Transport Canada Licensing Fees and Examination approximate fees	\$1242.50

**We believe in high quality training and transparency. We quote a realistic estimate for the cost of training, rather than just the minimum hours stated by Transport Canada.**

**Actual cost will vary depending on student ability and study skills.**

Fuel surcharge included in aircraft cost. Prices are subject to change without notice. GST not included in costs.
